■ Weight per gallon: 10.86 lbs.

■ pH: 6.3 - 7.2

■ Available Container Sizes:

2 x 2.5 gallon case

30 gallon drum

55 gallon drum

275 gallon Tote tank

GUARANTEED ANALYSIS

Total Nitrogen (N) ----- 30.00%

7.39% Ammoniacal Nitrogen

7.38% Nitrate Nitrogen

15.23% Urea Nitrogen

Derived from

Urea CAS # 57-13-6,

Ammonium Nitrate CAS #6484-52-2

- **One gallon of 30-0-0 contains 3.26 lbs Nitrogen**

30-0-0 UAN (Urea Ammonium Nitrate)

is a quick release nitrogen liquid that is a combination of nitrate, ammoniacal and urea nitrogen. This liquid provides rapid turf response, even at low temperatures. This liquid is well suited for early season applications when temperatures are low on cool season turf, and throughout the growing season on many varieties of warm season turf.

Directions for Turf:

Dilute with plenty of water according to the desired nitrogen rate required for the area to be fertilized. This is a quick release Nitrogen Fertilizer. It may burn turf depending on moisture levels, temperature, foot traffic and rate of application. It is advised to apply .15 pound or below per 1,000 square feet with plenty of water.

Nitrogen per Liquid Ounce:

2.0 oz.	=	.05 lb. Nitrogen
3.9 oz.	=	.10 lb. Nitrogen
5.8 oz.	=	.15 lb. Nitrogen
7.8 oz.	=	.20 lb. Nitrogen
9.7 oz.	=	.25 lb. Nitrogen
19.0 oz.	=	.50 lb. Nitrogen

Apply per 1,000 sq. ft. at desired rate

Before mixing multiple chemicals and/or fertilizers in the tank, confirm product compatibility by performing a jar test. Be sure to mix with plenty of water.

Storage and Handling:

Store in a cool dry place, keep container tightly closed, do not add water or other material to the container. Do not contaminate water, food, or feed by storage or disposal.

Store above 15° F. Do not allow to freeze.

Caution:

Keep away from children. Avoid contact with eyes, open cuts, or sores. Harmful if swallowed. External: Flood with water. Internal: Induce vomiting. Contact a physician immediately.

Notice and Limitation of Warranty:

The manufacturer and seller warrants that the material conforms to the product description on the label and is reasonably fit for the purpose stated, when used in accordance with the directions. Further, because of critical unforeseeable factors beyond the manufacturer's and seller's control which prevent them from eliminating all risks in connection with the use of fertilizers, the buyer and user acknowledge and assume all risks and liabilities resulting from handling, storage and use of this material. The terms of this notice may not be varied by any verbal or written statement.
