

Milliken® Aquarius™ EP

Extended Performance Soil Wetting Agent

Active Ingredients:
95% Nonionic Polyols

5% Inerts

NOT A PLANT FOOD INGREDIENT

Aquarius™ EP: Use monthly, or every 90 days (with split application protocol listed below*), to treat localized dry spots and other turf areas where water repellency is a problem.

- Can be used all year long
- Use on golf greens, tees, fairways, lawns, and sports turf
- Easy to use and safe for turf when used according to label rates
- Promotes consistent water flow into and throughout rootzone

AQUARIUS™ EP Application Rates Information			
Frequency	Application Rate	Area	Carrier Water (min)
Monthly Application			
30 Days	4 - 6 oz	1,000 ft ²	2 gallons
	120 - 180 ml	93 m ²	8 liters
Extended Performance Application			
90 Days	8 - 10 oz	1,000 ft ²	2 gallons
	240 - 300 ml	93 m ²	8 liters
* For extended performance, make the initial application at full rates noted above. Repeat this application 7 - 10 days later. Reapply at 90 days as needed.

Milliken®
Aquarius™ EP

Extended Performance Soil Wetting Agent

Directions for Use: (1) Irrigate sufficiently after application to remove product from leaf surfaces. (2) Do not tank mix with pesticides, fertilizers, plant growth regulators or other chemicals unless you know, for sure, that the tank mixture is physically compatible, will not harm your turf, and will not change the intended effectiveness of the spray solution. (3) Agitate spray tank solution thoroughly. (4) Wear appropriate personal protective equipment.

Storage and Disposal: Store in a closed container. Protect product from freezing. If product freezes, warm to room temperature and agitate before use. Store in original container only. Do not reuse empty container.

Small spills can be washed away with water. Large spills should be contained and salvaged. Disposal must comply with local, state and federal regulations.

Health Hazard and First Aid Information

Avoid contact with eyes and skin - may cause temporary irritation. In case of contact, flush eyes / skin with large amounts of water. If irritation persists, seek prompt medical attention. Do not ingest. In case of ingestion, drink two glasses of water and seek medical attention.

In Case of Emergency or Spill, contact CHEMTREC 1-800-424-9300

According to the Office of Pesticides and Toxic Substances of the U.S. Environmental Protection Agency, no clearance is required under 40 CFR 180.1001 for use on non-crop vegetation. Not approved for edible crop use.

CAUTION: KEEP OUT OF REACH OF CHILDREN
MAY BE HARMFUL IF SWALLOWED
Read entire label for additional precautionary statements

Conditions of Sale

Because conditions and circumstances of use of this product are outside manufacturer's control, manufacturer makes no warranties, expressed or implied, including without limitation, no warranties of merchantability or fitness for a particular purpose. Manufacturer will not be liable for any consequential or incidental damage, and the exclusive remedy of the user or buyer, and the limit of liability of the manufacturer and its affiliates, for any losses, damages or injuries resulting from the user or handling of this product shall be the refund of the purchase price.
